

## OTHER OPPORTUNITIES

Christian Life Ministries will provide several opportunities each year for sponsors to participate on short-term missions trips that will allow you to develop a personal relationship with your Child.

Orphan Sponsorship Program  
(Uganda, East Africa)

## HOW CAN I GET STARTED?

Contact Christian Life Ministries and we will link you with an available orphan and send you a sponsorship packet that includes an orphan profile and photograph.

If we work together as the Body of Christ, we can reach out that compassionate hand to those desperate orphans and let them feel true love.

Changing Lives Together

## DESPERATION

As a result of the HIV/AIDS crisis and longstanding issues with rebel conflicts, Uganda is a home of over 1.4 million orphans. This accounts for almost 10% of the world's orphan population in a single African country the size of the US state of Oregon. What is the life of an orphan?

- Most populate the Northern Uganda region and live in towns or government run refuge camps.

- They lack adequate food, clothing, nutrition, schooling, and shelter. They are in desperate need of a hope and a future.

## A COMPASSIONATE HAND

Jesus encountered a man with leprosy as recorded in the first chapter of Mark.

“Filled with compassion, Jesus reached out his hand and touched the man” Mark 1:41

Jesus not only healed the man's physical disease, but he knew he needed a compassionate hand just as much.

"I am holding you by your right hand- I, the Lord your God. And I say to you, do not be afraid. I am here to help you." Isaiah 41:13

## A SOLUTION

Christian Life Ministries has established a program to build 500 orphan homes throughout several locations in Uganda. Each home will provide shelter to 12 orphans, and also a house mom.

Each child needs a personal sponsor to provide monthly support of \$30. This provides for:

- Food
- Clothing
- Schooling
- Basic medical
- Shelter

In addition, the orphans will be raised in a Christian environment so there they will experience their Heavenly father.

Children with HIV/AIDS require some additional support each month.
